1. What is either of your connection to the Whidbey-Camano Land Trust (if any):

2. Exhibitors and mentors will need to attend an orientation and training session in late May. We'll have a picnic and work party in July to assemble our exhibits. What days and times might work best for you?

3. Why do you want to be a part of this exhibit?

4. Do you know a historic Island County family you would like to find out more about? Who? <Don't worry if you don't. We have a list of families who would like to take part in this exhibit.> Or is there a part of Whidbey or Camano Island you would like to focus on?

5. What do you think will be hardest about this project? How would you get help to do high quality work?
