

## ***Appendix F: Plant Species List***

This list was compiled from several lists. Jeff Potter and Bridget Scott, two high school students from South Whidbey High School, conducted a baseline study of plant distribution from October 2007 to January 2008. Cheryl Lowe, Whidbey Camano Land Trust's Land Steward, added species observed in the same time period. A more complete inventory should be conducted in the spring and summer of 2008 when more flowers and foliage is visible. Scientific names are according to *Plants of the Pacific Northwest* by Jim Pojar and Andy MacKinnon (1994).

### **Trees and Shrubs**

*Acer macrophyllum* (**big-leaf maple**)  
*Alnus rubra* (**red alder**)  
*Amelanchier alnifolia* (**serviceberry**)  
*Arbutus menziesii* (**Pacific madrone**)  
*Cornus stolonifera* (**red-twig dogwood**)  
*Cytisus scoparius* (**Scotch broom**)  
*Holodiscus discolor* (**oceanspray**)  
*Ilex aquifolium* (**English holly**)  
*Malus sp.* (**cultivated apple**)  
*Pseudotsuga menziesii* (**Douglas fir**)  
*Rosa gymnocarpa* (**baldhip rose**)  
*Rubus discolor* (**Himalayan blackberry**)  
*Rubus spectabilis* (**salmonberry**)  
*Rubus ursinus* (**trailing blackberry**)  
*Salix sp.* (**corkscrew willow**)  
*Salix sp.* (**willow**)  
*Sambucus racemosa* (**red elderberry**)  
*Syringa vulgaris* (**cultivated lilac**)  
*Thuja plicata* (**western red-cedar**)  
*Vaccinium ovatum* (**evergreen huckleberry**)  
*Vaccinium parviflorum* (**red huckleberry**)  
*Vitis sp* (**cultivated grape**)

### **Herbaceous Plants**

*Athyrium filix-femina* (**lady fern**)  
*Cirsium arvense* (**Canada thistle**)  
*Cirsium vulgare* (**bull thistle**)  
*Epilobium ciliata* (**willow-herb**)  
*Equisetum telmateia* (**horsetail**)  
*Gaultheria shallon* (**salal**)  
*Glyceria sp.* (**mannagrass**)  
*Helix hedera* (**English ivy**)  
*Lonicera ciliosa* (**western trumpet honeysuckle**)  
*Lysichiton americanum* (**western skunk cabbage**)

*Mahonia aquifolia* (**tall Oregon-grape**)  
*Ranunculus repens* (**creeping buttercup**)  
*Polystichum munitum* (**sword fern**)  
*Urtica dioica* (**stinging nettle**)
