

## I-SPY

Up for an adventure? Hit the trails at a Land Trust Preserve and see if you can “spy” the following items found in nature. When you are done, send your findings back to Jen at [Jennifer@wclt.org](mailto:Jennifer@wclt.org) for a chance to win some apparel from the Whidbey Camano Land Trust.

Where did you “spy” the item? Write the name of the Land Trust preserve that you visited on the lines below.

1. Nurse log

\_\_\_\_\_

2. Moss

\_\_\_\_\_

3. Pollinator

\_\_\_\_\_

4. Open Space

\_\_\_\_\_

5. Native plant

\_\_\_\_\_

6. Tideland or bluffs

\_\_\_\_\_

7. Bird

\_\_\_\_\_

8. Tree roots

\_\_\_\_\_

9. Amphibian or mammal

\_\_\_\_\_

10. Tree nook

\_\_\_\_\_

What else did you see on your adventure?
